Record Management and Security Policy

Chieveley Parish Council realise that the efficient management of its records is necessary to comply with its legal and regulatory obligations and to contribute to the effective overall management of the Parish Council. This document provides the framework through which this effective management can be achieved and audited.

The Parish Council seeks to make standard management and operational documents, minutes, agendas, latest news, community documents and reports available at the village website www.mychieveley.co.uk and www.curridgevillage.co.uk

This policy should be read in conjunction with the Parish Council's General Privacy Policy and the Records Management Record Retention and Disposal Schedule 2018.

Scope of the Policy

This policy applies to all records created, received or maintained by the Parish Council in the course of carrying out its functions.

This document should be read in conjunction with Chieveley Parish Council Record Retention and Disposal Schedule which was adopted on 12 June 2018.

The schedule lays down the minimum length of time which the records needs to be retained for audit and other purposes and the action which should be taken when it is of no further administrative use.

Additional documents are also identified in a Management Schedule which are not subject to audit, staff management, tax liabilities and other purposes but for the general management of the Parish Council or of historical interest.

Most legal proceedings are governed by the 'Limitations Acts' which state that legal claims may not be commenced after a specified period. The specified period varies, depending on the type of claim in question. If a type of legal proceeding falls into two or more categories, the documentation will be kept for the longer of the limitation period.

The retention refers to records services regardless of the media in which they are stored.

Disclosure of Personal information

If an elected member of the Council needs to obtain personal information to help carry out their duties, this is acceptable. They are only able to obtain as much personal information as necessary and it should only be used for the specific purpose. If, for instance, someone has made a complaint about over hanging bushes in a garden, the Clerk may give a Councillor or the appropriate local authority the address and telephone number of the person who has made the complaint so they can help with the enquiry. A Councillor may only do this providing they represent the area that the subject lives. Data should never be used for political reasons unless the data subjects have consented.

Other documents including written notes of the clerk and councilors

The clerk's hand written notes of Parish Council meetings are routinely destroyed once a typed up record has been completed. Other hand written notes held by Councillors or the Clerk from conferences and other Parish Council related events when no longer relevant or required will be destroyed.

Information from other bodies e.g. planning applications, circulars etc from West Berkshire Council, BALC, NALC, CCB etc. Such information should be retained for as long as it is useful and relevant and then destroyed.

Documentation relating to staff/personal information

The principles provide that person data in relation to staff should not be kept for longer than is necessary for the purpose it was held. However, after an employment relationship has ended, the Parish Council will need to retain and access staff records for former staff for the purposes of giving references, payment of tax, national insurance contributions and pensions, and in respect of any related legal claims made against the Parish Council.

- Respond to the email or letter directly and provide a copy to the clerk for the formal record.

If Councillors retain personal information either in paper format or electronically about individuals such as their addresses, emails, and telephone numbers when acting on behalf of members of the public and local organisations it is recommended they seek advice from the Commissioner's Office.

It is the responsibility of the Parish Councillor, if in doubt, to seek clarification from the Commissioner's Office helpline on 01625 545745 to establish whether they should apply for individual registration.

It is safest for Councillors to delete any correspondence once a matter has come to a natural conclusion rather than hold the information indefinitely. If you believe the correspondence is important historically to the Parish Council then please send a copy to the Parish Clerk clearly marked for the 'formal record' and it will be kept for the appropriate time.
